

Arbors/Arches

A limited selection of stained, wooden arbor structures are stored off-site but available for use at client request, pending availability. If desired, please indicate your arbor preference to us as soon as possible, but no later than your Final Walkthrough (approximately 2-3 weeks prior to your event).

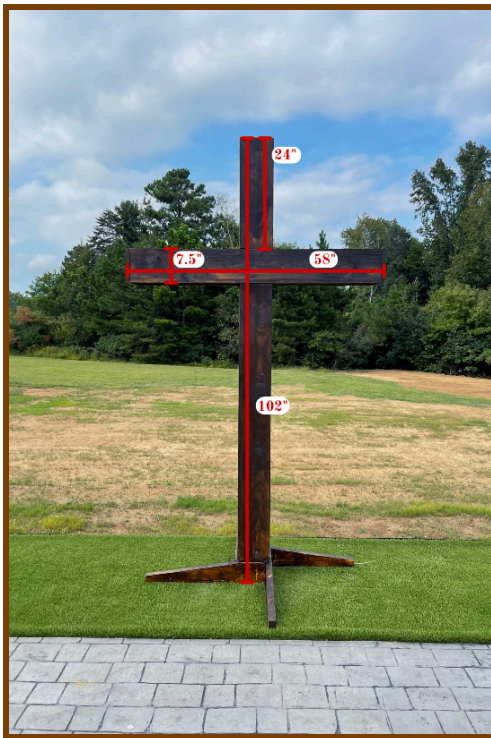

Because we do not allow anything to be staked into the ceremony turf, we also provide some sandbags in an outdoor storage bin. The wind up on the mountain can be very strong, so please prepare for this whether you use one of our arbors or provide your own.
